Session Meeting Highlights & Updates
August 23, 2017

Desiring for more effective communication with the congregation, the Elders have committed to sharing updates and highlights of the Session Meetings as soon as possible following the meetings. Also included in these communications are the approved minutes from the previous month.

Highlights:

- The Worship Pastor Search Team has received several new resumes from advertising efforts, particularly in the Nashville area. The Team will meet to work through those resumes prayerfully considering each applicant. Please to continue to encourage the search team members and pray for them as they continue their work of service in this role.

Worship Pastor Search Team members:

Merlin Nelson
Rachel Osen
Robyn Erlenbush
Dave Stanish
Bryan Kelsey
Keith Anderson
Kody Van Dyke
Kristen Robinson

- With new Pastors on staff, the Elders heard reports and updates as each Pastor navigates their roles, goals and vision. It is a joy to see all of the staff working together in concert. Having recently taken each person through staff reviews, the consensus is that each feels very valued, relationships are deep and it is fun working with this team.
- The Congregational Nominating team is beginning to seek recommendations from the congregation as to those who may be suitable and called to serve as officers of the church.
- The Elders of Springhill Presbyterian regularly pray for and seek to Shepherd those who are facing life's struggles. Twice a month, the pastoral concerns and needs of the congregation are lifted up before the Lord in intercessory prayer. Each individual prayed for is also assigned an Elder who will follow up and shepherd those congregants. If the Elders are aware of situations we can care for the congregation in this manner. Please let us know so that we can serve this church faithfully.
- The Bozeman site worship services are available on livestream via the [Springhill Facebook](#) page.

The next meeting of the Elders will be held on Wednesday, September 27 at 6:30 pm at the Bozeman site.
